

VRIC 2016

VANCOUVER RESOURCE INVESTMENT CONFERENCE

24 & 25 January 2016 - Vancouver Convention and Exhibition Centre

The Vancouver Resource Investment Conference is the world's largest investor focused resource exploration conference and the largest of all annual trade shows held in Vancouver, Canada. At the 2015 conference, over 400 companies, upwards of 60 expert analysts and 11,000 delegates gathered to network and share ideas. Companies covering every corner of mineral exploration sector are represented along with metals dealers, oil & gas, renewable energy, media and financial services companies. The annual event is a must attend for investors and participants in the global mining industry.
