

IFAP Safety 2006 PRACTICAL WORKPLACE SOLUTIONS

14-15 November, 2006
Sheraton Perth Hotel

This conference aims to increase awareness of health and safety issues in the workplace by presenting a range of practical solutions for all industries with a focus on Managing Your Risk.

This two-day safety conference and exhibition will include:

- A leading keynote speaker
- A series of 20 presentations featuring local, national and international speakers.
- Actual case studies of major health and safety issues.
- Practical application to workplace specific issues.
- The opportunity for professional development among safety personnel.
- Innovative and best practice Safety Management Performance Strategies.
- An interactive safety and health exhibition showcasing the latest OHS products and services.
